Family Health Centers
EXCELLENCE. EVERY PATIENT. EVERY TIME.

“The opposite of poverty is not wealth. The opposite of poverty is justice.”

- Bryan Stevenson, JD

Legal needs assessment

- 600 patients surveyed
- 67% had an ongoing legal issue
- Half of those said it was negatively affecting their health

Medical Legal Partnership Colorado

- 2.5 FTE lawyers
- Housed entirely at Salud
- Integrated into the medical team and into the EHR
- Legal needs screening by care managers and BHPs
- Referrals made through a telephone encounter
- About 200 cases currently open

I-HELP

- Income and benefits
- Housing
- Education
- Legal status
- Personal stability (family violence)

Outcomes

- About 70% favorable rulings
- Decreased ER utilization
- Decreased hospitalizations
- Increased patient satisfaction

Aurora Community Commons

A collaboration of the
CU School of Medicine,
Salud Family Health Centers,
and the community of Aurora
