

...Liberty and health care for all

Best Practices Forum, New York City April 4 – 7, 2027

Sun River Health is honored to host the **36th Best Practices Forum**. This year is especially important for our gathering, **as HR1 is being implemented across the Country**. Leaders gather at the annual Community Health Best Practices Forum to **exchange ideas and learn and adopt the best approaches to advance primary care through technology adoption, accountable care and value-based care, workforce innovation**, improved models of care, and other innovations. Community Health Best Practices members include some of the largest community health centers in the United States, with years of experience sustaining and growing their practices and serving over 1.7 million patients.

The **36th Best Practices Forum Sponsorship Prospectus**. Your sponsorship provides meaningful visibility and engagement with an influential audience of healthcare decision-makers and industry leaders.

We hope you will consider partnering with us as a sponsor of the 36th Best Practices Forum. Sponsors are also invited to participate in all conference meals and social events, providing additional opportunities for networking and relationship-building.

We look forward to welcoming you to the Best Practices Forum!
